

# Community Electronic Recycling

Unfortunately, **90% of out-dated electronics are thrown out with the garbage**, where they can have a devastating impact on the environment. **The good news is that as of January 1, 2012, the State of Illinois has prohibited many electronics from being placed in landfills.** There are recycling programs that carefully separate the good from the bad and bundle them for destruction or reuse.

## WHAT ELECTRONICS CAN I RECYCLE?

- Televisions
- Monitors
- Printers & Scanners
- Computers  
(including tablets/laptops)
